

Rebecca Bush

**Literacy Specialist,
Dyslexia Therapist**

Bridging the gap between literacy research and real-world impact.

Dyslexia and reading struggles leave too many children behind—not due to lack of intelligence, but because of gaps in how literacy is taught and understood. **Rebecca Bush is changing that.**

With nearly **20 years in education**, Rebecca transitioned from teaching and school leadership to focus on literacy, dyslexia intervention, and empowering families and educators. Through **her consulting work, private practice, and international speaking engagements**, she simplifies complex literacy research into **practical, results-driven strategies** that make a real difference in classrooms and homes.

A sought-after **speaker, panelist, and podcast guest**, Rebecca delivers engaging, evidence-based talks that equip educators, parents, and policymakers with the tools to create equitable learning opportunities for all students.

Rebecca is available for keynotes, panels, workshops, and podcasts.
